

Fundraiser Notes

- **This year we are collecting money at the time of the sell.** Please use the large envelope to turn money in. Pre-collecting cuts the losses we experience every year from customers moving or just not paying when the merchandise arrives. It will also speed delivery.
- Pass the book around to friends, family, and coworkers, but do it quickly, as we want to be quick with this.
- BE POSITIVE. We have a very nice gift brochure this year backed by the quality assurance of QSP, a Reader's Digest affiliate.
- **Make sure that all checks are made out to *Lewis Middle School, or Lewis Middle School Band.***
- Double-check the amounts for accuracy to avoid awkward "recollections." Financial awareness is a hot topic in the parish, so all collections must be accurate. This makes my life much easier in the event of an audit.
- BE POSITIVE! I know I said that already, but it is very important.

The MagNet address books are due Wed., Sept. 29th (accurate out of town addresses only, please. Local people should order magazines from the main brochure).

The Fundraiser order forms and money are due THURSDAY, OCT. 7. Please make sure that we have an address and/or phone number for all customers. Use the large envelope to turn in orders and money.
